## REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

87-146R

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,634,448, granted June 3, 1997, and for which a reissue patent is sought on the invention entitled Method And Structure For Controlling An Apparatus, Such As A Fuel Injector, Using Electronic Trimming, the specification of which

is attached hereto.

was filed on MAY 28, 1999 as reissue application number 09 / 322,770 and was amended on 2/21/01 and 3/21/01.  
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

- by reason of a defective specification or drawing.
- by reason of the patentee claiming more or less than he had the right to claim in the patent.
- by reason of other errors.

At least one error upon which reissue is based is described as follows:

The original patent is partly inoperative for failing to include an apparatus claim. This error is reflected and exemplified by claim 1, which reads as follows:

1. A method of operating an apparatus of the type having a nominal resultant characteristic at a plurality of operating conditions when controlled in accordance with a control signal, comprising the steps of:

measuring a resultant characteristic associated with the apparatus at a plurality of operating conditions;
